Summary: "Art Spiegelman.to the comics world is a Michelangelo and a Medici both, an influential artist who is also an impresario and an enabler of others.[Maus's] great innovationunmatched and possibly unmatchablewas in its combination of style and subject.It would be almost impossible to overstate the influence ofMausamong other artists." New York Times Magazine "Spiegelman has become one ofThe New Yorker's most sensational artists, in recent years drawing illustrations for covers that are meant not just to be plainly understood but also to reach up and tattoo your eyeballs with images.From his Holocaust saga [Maus] in which Jewish mice are exterminated by Nazi cats, to theThe New Yorkercovers guaranteed to offend, to a wild party that ends in murder: Art Spiegelman's cartoons don't fool around."
