Please help us do our part to turn that hope into reality. Thank you, Mr. Chairman, for your strong support of stem cell research, and I would be happy to answer any questions. The statement follows: P S F S. C REPAIRED TATEMENT OF RANCIS OLLINS Good morning, Chairman Harkin and distinguished members of the sub-committee. It is an honor to appear before you today to discuss human embryonic stem cell research. First, Id like to thank this subcommittee for its steadfast sup-port of the National Institutes of Healths ( NIH ) mission: discovering fundamental knowledge about living systems and then applying that knowledge to fight illness, reduce disability, and extend healthy life. NIH is grateful for the confidence that Congress - and this subcommittee in particular - has shown in our ability to achieve this mission, as evidenced by...
