Brand New Book ***** Print on Demand *****.The way is meant to be followed, but the way can mislead you from the right course if you re loosing the real substance from under your feet. So, this is the real reason to be watching all the time, not to loose the proper substance from your touch. Everything seems so clear, everything seems so sane, only one ques- tion s arising, the question about that substance s game. Translated the ques- tion in popular words is resounding as: What could be that substance in play? Is nothing more and nothing less than the seeds of the truth, is the light that shines through our life and urges us to wake up. Something deep inside our unknown recesses is keeping for us that light shining bright, to se the real substance of the truth, but, our state of awakening toward this frequency of existence is critical. We are asleep, we are not aware of this guidance that s alluring us to the right course of the existence, we are lost, living in a shipwrecked ship in our material illusions of relativity, and fighting for an insignificant course.
