

Poet Resigns: Poetry in a Difficult World

Filesize: 1.91 MB

Reviews

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

The University of Akron Press. Hardback. Book Condition: new. BRAND NEW, Poet Resigns: Poetry in a Difficult World, Robert Archambeau, The essays of The Poet Resigns: Poetry in a Difficult World set out to survey not only the state of contemporary poetry, but also the poets relationship to politics, society, and literary criticism. In addition to pursuing these topics, The Poet Resigns peers into the role of the critic and the manifesto, the nature of wit, the poetics of play, and the persistence of modernism, while providing detailed readings of poets as diverse as Harryette Mullen and Yvor Winters, George Oppen and Robert Pinsky, Pablo Neruda and C.S. Giscombe. Behind it all is a sense of poetry, not just as an academic area of study, but also as a lived experience and a way of understanding. Few books of poetry criticism show such range yet the core questions remain clear: what is this thing we love and call poetry, and what is its consequence in the world?.
