Well, resumed Father Brown, its not fair to say that the public impression is just what Ive said, without adding that two things have happened since. I cant say they threw a new light; for nobody can make sense of them. But they threw a new kind of darkness; they threw the darkness in new directions. The first was this. The family physician of the St. Clares quarrelled with that family, and began publishing a violent series of articles, in which he said that the late general was a religious maniac; but as far as the tale went, this seemed to mean little more than a religious man. This item ships from La Vergne, TN. Paperback.
