Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Join me in the World of Mom This book is a homage to the life of a Mom in the guise of an adult coloring meditative book. Take a stroll through the existence of the average Mom with these detailed, factual yet funny illustrations. Make each drawing your own by coloring in the patterns, or if the page is too close to home and stirs feelings of frustration or desperation then just grab that red crayon and with all the force you can muster obliterate it from existence. In fact, grab a nice glass of your favorite wine and a black permanent marker and through your laughter or possibly tears, annihilate each page with deep abandon. Trust me, you ll feel lighter, calmer and be a better mom for it. As Moms we don t have total control over much of how our day progresses. We can t always find that missing shoe or locate that perfect matching sock, even if we do it s most likely not going to be the one your child wanted anyway. So sit back and take a few minutes each day to color in your page of choice, as this is the one thing you can control.
