Brand New Book ***** Print on Demand *****.First published by BRF (2005), this book aims to restore our vision of God s created purpose for marriage. Entertaining, thought provoking and stimulating, this book can be read by an individual, by couples, or used as the basis for a Bible study group or as the foundation for a teaching series. The ideas and images used will communicate clearly to young and old, whether single, married or divorced. For all those wanting to think about the subject, it will help them to discover God s pattern for married life. Reviews This book is full of faith and hard-earned wisdom.
