John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, Investigating Identity Theft: A Guide for Businesses, Law Enforcement, and Victims, Judith M. Collins, What will you do when you encounter identity theft within your business? Chances are, you have already lost money to identity theft and business fraud. Look no further than the latest newspaper headlines to know that it is an epidemic problem and an alarming reality from which no business-whether small or large-is immune. Although you can't completely stop identity theft from happening, you can be prepared when it takes place. I can't say enough about Dr. Collins and her knowledge of tracking criminals on the Internet; she is a great asset to law enforcement." -Anthony Abdallah, Police Detective, Inkster Police Department (CID), Inkster, Michigan "This valuable book is an essential, pragmatic guide for the full understanding and investigation of identity theft crimes. It also establishes Dr. Judith Collins as a foremost national expert on this growing crime problem that threatens our future." -Dr. Bruce L. Benson, Police Chief Emeritus, Associate Professor, Criminal Justice, Michigan State University "Whether the investigator is working in the private or public sector, Dr. Collins presents valuable information on the methodology required to successfully resolve identity theft cases. The use of real-life investigations, with lessons learned, provides an intriguing...
