Wind that Fans the Flame traces the roots of a stoic, Native American Indian woman raised in a subsistence lifestyle (living off the land) in the village of Klawock, Alaska. In her book, Flo chronicles the joys of her early childhood to the final trauma of a melancholy alcoholic and drug abuser. While in her dark cubicle in a psychiatric hospital, she had an encounter with the triumphant God of the universe who came to set her free from her bondages. After the Almighty brought healing and wholeness in her life, she received a prophetic word that she was to become a wind that would fan the flame of revival wherever she went. As you read this intriguing story, faith will be built in your heart that you, too, can triumph in all things. This item ships from multiple locations.
