Celebrate, Women-Just Celebrate! is a call to celebrate the wonder of God in women. The author uses several spiritual disciplines to show just a few of the many reasons women have to Celebrate God. Some women may not think of themselves as highly as they should, she says. So, reading, meditating and praying on some passages in this book may help to elevate a woman s self-worth and place her importance, purpose, responsibility, usefulness, and beauty into proper perspective. Women will discover or be reminded of how truly wonderful they are just because God said so when He created them. Readers will find themselves worshipping, rejoicing and thanking God for their lives-regardless of their current situations. They will be free to embrace yet another opportunity to fulfill the purposes for which they were made. She reminds women throughout that they are fearfully and wonderfully made, and that nothing is impossible with God. The celebration is in honor of the goodness, majesty, sovereignty, power, grace and mercy, and love of God-the Creator-toward us. Beside the academic achievements in her life, the author says the trials and errors, successes and failures, triumphs and defeats grant her credentials to write this book. Celebrate, Women-Just Celebrate! provides an excellent base for women s bible study groups and workshops to emphasize the uniqueness and purpose of women as established by God, the Father. - Shelhea C.
