McGraw-Hill Education - Europe, United States, 2011. Paperback. Book Condition: New. 6th Revised edition. 274 x 214 mm. Language: English . Brand New Book. The classic step-by-step guide to learning how to perform the diagnostic neurologic examination -- now in full color This is an excellent book that will be very useful for learning the neurologic examination. It is easy to read, well illustrated, and interactive. The art and science of neurology is constantly evolving and books must stay current with the available literature. This sixth edition provides updated information, illustrations, and references that are necessary to stay relevant to neurology today. 3 Stars. --Doody s Review Service Excellent. The information is detailed, pertinent, and excellently arranged. What is surprising is the incredibly complete, interesting, and worthwhile information it contains. The author is obviously an excellent clinician and teacher who has taught many years. One can easily detect that [DeMyer s] book contains the distilled best of his teaching experiences. --Archive of Internal Medicine* The book presents much more information than the title suggests; it has excellent parts on neuroanatomy and clinical neurosciences. --Four Stars (Excellent) from Mayo Clinic Proceedings* For more than four decades, DeMyer s The Neurologic Examination has provided neurologists and psychiatrists in training with a uniquely clear and didactic way of learning the complicated technique of using the physical examination to diagnose neurologic illness. This trusted classic also reviews the anatomy and physiology necessary to interpret the examination, and it details the laboratory tests best suited for a particular clinical problem. Utilizing a proven-effective, learn-at-your-own-pace teaching approach, DeMyer s allows you to work through real-life clinical situations and rehearse the skills and procedures that make the neurologic examination productive for both patient and clinician. You will also learn how to tailor the exam for different clinical...
