The author introduces young readers to a book filled with imaginative cosmic adventures, complimented with scientific dialogue, and spiritually motivated lessons. This is done by offering text that is focused on combining the concepts of evolution with theology; affording your child an early knowledge of his/her own individuality and its importance, inspiring progressive thinking, and offering a larger prospective of the world/universe. The book is written in rhyming verse so it s easier for your child to remember. This book is a must read for parents and toddlers alike! In this episode Zoomy Boomy meets the female character Honey Moon.
