DRAGONS: THE MODERN INFESTATION

Boydell Press. Paperback. Book Condition: New. Paperback. 142 pages. Dimensions: 9.1in. x 6.0in. x 0.5in. Pre-medieval dragons are a staple of Western culture, familiar through bestiaries, folklore and the framework of meaning provided by the church. Dragons of the Modern Infestation, however, must be known through a scientific term: verminology. The purpose of this monograph is to make available to the general public the fruits of verminological research which began shortly after the first modern sightings, in the hope of fostering...
