## The Things Kids Say

By -

Lake Press. Hardback. Book Condition: new. BRAND NEW, The Things Kids Say, A collection of children's thoughts plus room to record 'pearls' from your own children. To hear the innocent one-liners that not only define a child's thoughts, but often perfectly describes the situation. If only we could all look at life through the naive eyes of our children. You think you'll always remember their funny sayings and their priceless explanation of life in general. But in reality, over time these comments mostly get forgotten or confused. This book features humour that bypasses the complexity of the adult thought process. The sayings here are, for the most part, unrehearsed and unintentional, as are those from your children. This book will be a lasting record of the time when children, including yours, had a very simple explanation of life and described it truly - out of the mouth's of babes!.
