

## Obesity level of Students Studying in Different Professional Courses

---

By Ravi Pal

LAP Lambert Academic Publishing Mrz 2013, 2013. Taschenbuch. Book Condition: Neu. 220x150x5 mm. This item is printed on demand - Print on Demand Neuware - Obesity is a medical condition in which excess body fat has accumulated to the extent that it may have an adverse effect on health, leading to reduced life expectancy and/or increased health problems. It is continuously increasing at a very high pace now a days in all the parts of the world. The purpose of this work was to see relation of profession with the level of obesity in the individual who are in it. Successful accomplishment of this study was a result of exhaustive efforts, thoughtful discussions, critical reviews of the literature and the systematic methodologies in administering the tests. 80 pp. Englisch.
