Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The secret to passive income is to work smarter, not harder. One of the simplest businesses to start online is an infoproduct business. You can create multiple streams of income creating your own digital and physical products. By creating your own products, you have these little sales machines working 24/7 for you. There are four steps to creating your own information product: choosing content, outlining, creating content, and fleshing it out. That s what you will learn in this course: the four step process to creating your own information products. In this course, you will also learn: How to research and find ideas that will make you money What the different types of infoproduct formats are and how you can use them to make money How to outsource your information empire for even bigger products How to write sales generating copy for your infoproducts including the headline, sub-headline, and social proof How to identify your readers and then show them how you can help them How give your customers great bonuses they will appreciate How to wrap up your sales letters with a great guarantee, call to action, and P.S. How to promote your new products with the most effective free internet marketing techniques, including: articles, videos, press releases, forum posts, Facebook Social Ads, Hub Pages, Squidoo, affiliate programs and joint ventures How to turn your products into multiple streams of income What a fulfillment house is and my recommendation on the one you should be using now This package also includes a bonus course in video. This is contained in the special bonuses section on my site. (Includes checklist and bonus resources to help you make more...
