Anness Publishing. Hardback. Book Condition: new. BRAND NEW, New Crafts: Woodcraft: 25 Step-by-step Hand-crafted Projects, Sally Walton, Stewart Walton, This title offers 25 step-by-step hand-crafted projects. It shows you how to master decorative wood techniques including carving, pyrography, marquetry and fretwork, as well as basic automata and construction. It offers 25 stunning projects that include a tomato box chest, a carved maple clock with carved numerals, a rodeo toy, mirror frame and a contemporary shelf. It offers step-by-step instructions for techniques and ideas with over 300 photographs. Simple materials and equipment are used to create a diverse range of wooden objects. It introduces an inspiring variety of contemporary work by leading craftspeople. Essential information for selecting and preparing wood is included, with details of the main hard- and softwoods, the tools and the basic techniques. For anyone who enjoys creative crafts, working with wood is a perfect medium for both practical and artistic purposes. This book introduces a variety of decorative wood techniques, that are used in 25 appealing projects, which range from a simple keepsake card in balsa wood requiring the minimum of equipment, a harlequin book end, and a sturdy five-piece bench constructed in hardwood parana pine. Other imaginative projects use found or dismantled wooden objects, such as the Mirror Frame with stair spindles or the Lamp Base made from orange boxes. Every project is designed to reveal the characteristic grain, natural shade and texture of the individual wood. Although to make a number of these projects you will need a drill and a jigsaw, many do not require elaborate power tools. Don't be put off by sophisticated techniques, but connect with this natural resource at the most basic level, enjoying its classic, natural simplicity.
