Hodder Stoughton General Division, United Kingdom, 2016. Paperback. Book Condition: New. 199 x 130 mm. Language: English . Brand New Book. If there s anyone who knows about the darker side of online dating, it s Nev Schulman. The 29-year-old rose to fame after his documentary *Catfish*, about an online flirtation of his which turned sour, became a breakout hit. He followed it up with a series on MTV which followed similar stories of digital deception across America. Nev has become the go-to expert in online relationships for millennials, a generation who have never known a world without Facebook. His clout in this area springs from his own experience which led him to coin the term *catfish* , referring to someone who creates a false online persona to reel someone into a romantic relationship. Now Nev takes his investigation to the page. Woven throughout with Nev s personal stories this book explores relationships in the era of social media, delving deeply into the complexities of dating in a digital age and continuing the cultural dialogue his show has begun about how we interact with each other online. In **IN REAL LIFE** Nev explores the pressing issue of connectivity versus genuine connection which is plaguing our relationships with each other, and he provides the advice that his fans have been desperately seeking.
