## I WILL SAY BEAUTY (PAPERBACK)

Northwestern University Press, United States, 2003. Paperback. Book Condition: New. New.. 225 x 181 mm. Language: English . Brand New Book. I will say beauty, Carol Frost boldly says in one of her new lyrical poems, beauty being for her and all of us elusive - in and out of nature. The phrase is meant as a cri de coeur, and the poems are arranged to offer a fresh way to look at - and exist within - nature. For Frost, beauty is a far cry from the decorous and the social. Frost sets many of these poems in Florida s Cedar Keys, amidst the nesting areas of birds, cottonmouth snakes, wetlands, and tidal rhythms. The reader undertakes a journey through a tropical summer, where strange scents and sounds are signs of the transient beauties the imagination may possess for a moment. Drawing brilliantly from nature and from art, from the rhythms of life and the furies of emotion, Frost rejects standard responses and dares to ask: how do we perceive the world? When is beauty not enough? Can we imagine Paradise? And, when nature ordains that death must come, and we weaken, how do we die?.
