Brand New Book ***** Print on Demand *****.The importance of getting advice from the best source: one offering high expectations and high support Oh Kat! blurted out Alice, almost in tears, I feel so inadequate. I feel like everything I m doing is wrong. I don t have any solid rationale for what I should or shouldn t be doing. I just feel lost! Blunderland Elementary School is privileged to have Alice as a beginner teacher and in return Alice is excited to be embarking on such a noble career. That is until her first day when she bumps into a scurrying Wyatt Rabbit - a sixth grade teacher who knocks Alice s books out of her hand and her confidence out of her heart. By the end of the week Alice is ready to quit, so will a visit by her teaching mentor, Kat Arpilah, save the day? In this short novel, Glen Sharkey investigates the question that many of us ask, Of the many voices that I hear speaking to me, which is the one I should choose to listen to? This question is clearly answered in this charming short story, making it an ideal training resource for working teams wanting to clarify lines of communication in the workplace and wanting to identify the right voices to be listening to in order to create a productive and enjoyable work environment.
