SEDUCTION REDEFINED: A GUIDE TO CREATIVE COLLABORATION OF THE FEMININE AND MASCULINE

Pioneer Imprints. Paperback. Book Condition: New. Paperback. 250 pages. A Guide to Creative Collaboration of the Feminine and Masculine. There are only two problems on the planet - Women and Men! With science, intuition and lessons from their co-creative partnership, Donna and Paul reveal their solutions: Darwins Sexual Selection theory and its importance for women as rightful initiators Seduction is a biological gift from women to men Political and business leadership needs FemaleMale partnership The health and romance benefits of Sunday Sex New brain science beats the Blame Game How-to seduction workouts Seduction is as natural as breathing, as human as laughing and as vital as water. It is simply the persuasive, soothing and enthralling influence that women have in mens lives. Once seduced, a man is adaptable to a womans needs for partnership, peace and social stability. Thats the big secret to the success of the human species. Seduction Redefined asks women to awaken the power they all possess the seductive power of the Feminine. It has been both deified and denied, because it is a force for change, and change is scary. But it is still there, in every woman, awaiting the awakening. When we found out about Charles Darwins theory of Sexual Selection, and the relatively new branch of study called Evolutionary Psychology, we understood that Donnas intuitive use of her biological power to select and seduce the mate of her choice was completely natural. And we saw that womens ability to guide men into true partnership is the foundation for forming stable, co-creative cultures in which the Feminine and the Masculine use their separate, complementary skills in unison, rather than in competition and with unrealistic expectations of each other. We believe that humans have become the victims of their own males mating displays. We think that women,...
