Entertainment Weekly When he was a young man, Ellis Hock spent four of the best years of his life with the Peace Corps in Malawi. So when his wife of forty-two years leaves him, he decides to return to the village where he was stationed in search of the happiness he d been missing since he left. But what he finds is not what he expected. The school he built is a ruin, the church and clinic are gone, and poverty and apathy have set in among the people.
