One who wants to get joy of book reading especially in very less time can go for it. About the Book David Copperfield--published in 1849-50--will always be acclaimed by many as the best of all Dickenss books. It was its authors favourite, and its universal and lasting popularity is entirely deserved. David Copperfield is especially remarkable for the autobiographical element, not only in the wretched days of childhood at the wine merchants, but in the shorthand-reporting in the House of Commons. Dickens never forgot his early degradation, as it seemed to him, in the blacking warehouse at Hungerford Stairs, or quite forgave those who sent him to an occupation he so loathed. Much of David Copperfield is familiar in our mouths as household words, and Swinburne has maintained that Micawber ranks with Dick Swiveller as one of the greatest characters in all Dickenss novels. Copperfield comes midway in the great list of works by Charles Dickens. For more eBooks visit www.kartindo.com This item ships from La Vergne,TN. Paperback.
