Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book contains 260 pages and is divided in 57 small easy-to-read chapters, containing authentic information about all the important aspects of Hindu religion, culture, and philosophy. It is designed to entice the young reader; in particular, the youthful Hindu Diaspora in America and other countries where Hindus are now settling in large numbers. At the same time, many others, including also the non-Hindus who would like to learn about Hindu philosophy and India may find the book useful. The book is written in story-telling method and it is easy to read and understand. It is presented with the fewest controversies, complex theories, and critical judgment. Hinduism is a dynamic and evolutionary religion, making periodic changes as the instance and circumstance demanded, over the millennia, without sacrificing the essential principles. The book is presented in chronological order, starting from the Origin of Creation 18 billion years ago, Proto-Human creature in Africa 6 million years, Modern Human Brain 100.000 years, arrival of first human tribal race in Indian subcontinent 50,000 years, the pre-historic roots of Hinduism or the Sanathan Dharma tracing back up to almost 10,000 years, and then covering the different times from the Vedic era till the present one, describing the Hindu populations and Hindu temples in all five continents of the world now! Religion-dharma-is basically like a classroom, a school, or a university, where we get the instruction for the moral and virtuous pedagogy. Ultimately it becomes our responsibility to learn and understand these spiritual teachings properly and put them into use in everyday living. Even more than that, we must imbibe dharma deep into our mindset (antahkaran), so that we think in a moral and...
